25X1 1. [ ] called to say a "Florida  
senator" has contacted Mr. Allan Kerr, in the office of the Secretary of  
Defense, regarding the interest of the Board of Education of Dade County  
in a portion of the property of Richmond Field in Miami. The senator's  
office apparently indicated there was serious pressure on the part of  
25X1 this group to obtain this property. To the best of my knowledge no Agency  
interest was mentioned. [ ] question<sup>ed</sup> whether we could identify  
which Florida senator might have made this contact. I told [ ] that  
based on the make-up of the office of the two Florida senators, I would  
speculate that the office concerned was that of Senator Spessard Holland.  
25X1 However, I pointed out this was strictly speculation on my part and  
suggested that [ ] query OSD as to the identity of this senator. I  
said I could see no reason why this could not be handled in the same  
25X1 way as any inquiry on this subject and that was to have the matter  
referred to General Services Administration which has control over the  
property at this time. [ ] said he planned to do this.

25X1 4. [ ] Talked with Bill Darden, Senate Com-  
mittee on Armed Services, and advised him that the two people in the  
Civil Service Commission with whom he was free to talk cost figures  
on our early retirement bill were [ ]  
25X1A [ ] Darden will call them directly and arrange the appointment.  
He will advise me of any problems that might develop.

25X1 5. [ ] Jay Sourwine, Senate Internal Security  
Subcommittee, telephoned asking if the Subcommittee could be furnished
